Hi All,

Wanted to thank Mich for contacting Alaric Degrafinried (DPW) to get HVNA Communication Committee (which includes me) to be added to information loop re rat remediation issue (from Octavia tents and HVAW Gardens).

I thought folks whose property abuts the gardens might want to be added to distribution too.

@Mich, If they do want to be added, what process to get added to information loop? Should they contact you, and you in turn will contact Alaric? I can do it, if you'd like, as one of the properties owners?

And, did we ever receive the case tracking numbers that Babs / HVAW reported?

Please advise.

All the best!

Ana

Good evening Alaric.

HVNA **Public Safety Committee** Chair Bob Barnwell forwarded your email below to me.

Looks like there's been an oversight by the HVNA corresponding secretary on the initial email below as the Communications Committee Chairs were not included on this email. Can you kindly include us moving forward? Thanks.

Each are cc'd on this email.

Thanks.

Dear Ms. Early,

In response to your letter I wanted to let you know that I spoke to the Director of the Healthy Streets Operation Center (HSOC), Jeff Kositsky, and they're planning to be working in the Hayes Valley area tomorrow. In addition, I am in the process of scheduling a number of internal City meetings to discuss the availability of additional Public Works, community benefit district and other similar resources to address some of the blocks in Hayes Valley. That all said, would you be interested in meeting sometime over the next couple of weeks to further discuss the concerns you've raised in your letter and collectively develop some workable solutions? I've included my colleague, Myisha Hervey, on this email to assist with the scheduling process.

In the meantime, please don't hesitate letting me know if you have any questions.

Regards,
Alaric

Dear Director Degrafinried,

Please see attached letter from Hayes Valley Neighborhood Association President Craig Hamburg, regarding Hayes Valley Neighborhood Associations urgent request that immediate action be taken to deal with the unsafe and unsanitary conditions on the streets of Hayes Valley. This is of utmost concern to our neighborhood.

Thank you for your attention to this in the midst of our current crisis.

Sincerely,

Barbara Early
