Hi Mich,

It doesn't sound like meeting this week is going to be possible. Are there a few dates/times you can suggest starting next week. Unfortunately, my colleague, Jeff Kositsky, from the Healthy Streets Operation Center (HSOC) will not be available until early August but under the circumstances I'd prefer to start the conversation sooner rather than later with you all and we can loop Jeff in at a later date. I've cc'd my colleague, Myisha Hervey, on this email so she can assist with the scheduling.

Regards,  
Alaric

Dear Ms. Early,

In response to your letter I wanted to let you know that I spoke to the Director of the Healthy Streets Operation Center (HSOC), Jeff Kositsky, and they're planning to be working in the Hayes Valley area tomorrow. In addition, I am in the process of scheduling a number of internal City meetings to discuss the availability of additional Public Works, community benefit district and other similar resources to address some of the blocks in Hayes Valley. That all said, would you be interested in meeting sometime over the next couple of weeks to further discuss the concerns you've raised in your letter and collectively develop some workable solutions? I've included my colleague, Myisha Hervey, on this email to assist with the scheduling process.

In the meantime, please don't hesitate letting me know if you have any questions.

Regards,  
Alaric
